[linkedin.com/in/amandacdulaney/](https://www.linkedin.com/in/amandacdulaney/) | quadrilateral0.github.io/ACD-Portfolio/ | github.com/Quadrilateral0

Licensed clinician leveraging a background in healthcare management, compliance/QA, and clinical psychology. Currently enrolled in Georgia Tech's Full Stack Coding certificate program to develop data management skill set with emphasis on backend and database technologies. Analytical and personable, and equally comfortable engaging a team as with solving complex problems. Integrating treatment, compliance, and technology to create improved healthcare experiences for all.

RECENT EMPLOYMENT

Licensing & Regulatory Compliance Manager

Charlie Health, Remote

February 2022-Current

- Managed compliance operations at TJC accredited facilities within a multi-state region to ensure maintenance of appropriate licensure, accreditation, and best practices.
- Piloted initiative for early stage start-up to open virtual IOP clinics in all 50 states in order to democratize mental healthcare access for vulnerable adolescents, young adults, and families.

Program Director, Addiction Counselor

Alliance Recovery Center, Conyers GA & Athens GA

April 2019-December 2021

- Supervised a multidisciplinary team of nurses, therapists, and auxiliary staff to meet the needs of patients undergoing medication-assisted treatment for Opioid Use Disorder while maintaining responsibility for daily operations and performance of the clinic.
- Prepared and led the clinic successfully through surveys and audits related to GA Department of Community Health, Medicaid, CARE, and GA Board of Pharmacy.
